## **Requests/Suggestions**

*Maranatha Mirror Messages is in transition as we explore new ways to share the newer and archived messages with others. If you have suggestions to help us, we are open to hearing from you.*

*Note: The editor plans to finish all unpublished books and eventually hopes to make each booklet available in digital/kindle format. If interested in an unpublished book, please inquire. \*If a book comes in a set of two, please take both as it causes printing to get out of sync.*
