

ALL FIRED UP!

Brother Brown was all fired up last night on TV. It was great!

Now he has me all fired up!

So what was Brother Brown fired up about?

Was it about denying yourself, taking up your cross and following Jesus?

Or was it the “situation”?

The latest rumor?

The “threat of Islam”?

Did he tell you how to vote?

Did he end with a money pitch?

Being fired up is great, if we’re focused on denying ourselves,
taking up our cross, and following Jesus.

Jesus warns us about being fired up over issues that take us far from the cross.

Jesus expects us to discern when that sheep's clothing is wrapped around a wolf.

Many a fired-up soul is in for a devastating surprise.

On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?' And then will I declare to them, 'I never knew you; depart from me, you evildoers.'

Matthew 7:22-23

Prayer

Lord Jesus, forgive us for getting fired up over all these issues that take us away from your cross. Repel us away from all that deceives and distracts us from your call. Holy Lord, set our souls on fire with a passion for you, you only, your truth, your way, your life. May that fire burn all away that separates us from your love... so that in the end... you welcome us with a tender embrace and the welcome of well done good and faithful servants.
