

THINGS ARE OUT OF CONTROL

*Spinning Into Control: Gwen Meharg

Anybody with eyes to see cannot miss how every level of life on this planet has reached a tipping point.

Climate.

Terrorism.

The economy.

Pandemics.

Corruption in the halls of power.

Mean-spirited talking heads, stirring up strife.

Is nobody in charge?

Not even God?

It is impossible to predict what life will be like a year from now, or even next week.

The foundations are shaking.

Earth itself is reeling from its vision of what lies ahead.

And yet.....

***"...You will hear of wars and rumors of wars;
see that you are not alarmed."***

Matthew 24:6

Don't panic.

In spite of all the chaos and confusion,
there is a Controlling Hand poised above it all.

Now the eleven disciples went to Galilee, to the mountain to which Jesus had directed them. And when they saw him, they worshiped him; but some doubted. And Jesus came and said to them,

"All authority in heaven and on earth has been given to me....."

Matthew 28:16-20

This Risen One, the Incarnate Truth, is still in charge.

The Lord reigneth let the earth rejoice! Psalm 97:1

Prayer

Holy perfect heavenly Father, we reach to you as things are getting out of our control. We know as this earth is reeling and spinning, that your hand is still in control. Please keep us from panicking and being sucked into the chaos. You are here as mighty and loving as ever. You are alive, merciful, and powerful and we are yours. May we rejoice in your reign, in your control. May we rest and trust in your hand despite and within any coming chaos.
