

# THE LABORERS BEHIND THE LABORERS

***"The Harvest is plentiful, but the laborers are few.  
Pray therefore the Lord of the Harvest to send out laborers into  
his harvest."***

***Matthew 9***

Laborers:

Not with canned speeches, but with healing hands.

Not with empty words, but with redemptive power.

Where are they?

Very soon, perhaps even now, true laborers--- laborers drenched in the holiness and power of God--- will begin to appear across the earth.

Their lives match their message.

Their message is spoken with the authority of heaven.

Multitudes will be stirred—

---some to faith.

---some to bitter anger.

These laborers will appear, Not through the efforts of some man-made "evangelism crusade," but through a miracle generated in the dark:

## **Spirit-inspired intercession.**

These laborers behind the laborers, unseen by the world, are men and women who have given their hearts to this one command:

***"Pray therefore the Lord of the Harvest to send out laborers into his Harvest."***

*Prayer- Holy, wonderful Lord, we beseech thee to raise up people whose hearts are so set on you, so drenched in love for you... that their hands and their prayers are saturated in a redemptive power that pours out healing and vision across this earth ... leading multitudes to fall before you in awe, love, service, and obedience.
