

# ***SHOW ME THE WAY!***

God is the last thought in our minds as long as we bounce along, solving our problems as they arise.

But when we come to that dark valley,

where nothing makes sense,  
where dangers lurk,  
where death seems near.

**That's when we discover how frail we are.**

**We begin to pray.... even if we never prayed before.**

To whom are we praying?

We're not sure.

**The cry rises from our hearts:**

***"Show me the way!"***

***"Help me!"***

Suddenly two things happen simultaneously:

---Our soul is flooded with peace.

---Our circumstances enter a sea change.

**"Ask, and it will be given you; seek, and you will find; knock, and it will be opened to you. For every one who asks receives, and he who seeks finds, and to him who knocks it will be opened."**

Matthew 7

**You meet the living God, not through the power of your reasoning....  
....but at the point of your desperation.**

In truth we are living on the edge of desperation all the time.

Once we make this discovery, we have arrived at our "burning bush."

**We begin to hear the voice of God.**

*Prayer: Lord, Lord when we find ourselves in the middle of troubles that overwhelm us, that we have no answers for, that we have no power to resolve... and that bring us despair because there seems to be no hope, no way out... We cry to you in desperation, "show us the way.....help us". We admit our frailty. We admit our desperation. We admit our need for you. We admit there is no hope but in you. Bring us to our burning bush, to the place where your Living presence floods us with peace, joy, and hope, to the place where we find the way is you. Amen.*
