

TAKE ANOTHER LOOK

The power of God on this earth is centered in a single event which took place in a single moment in the history of this planet:

Jesus, dying on the cross....
suffering the desolation, the darkness, the godforsaken emptiness
that we couldn't handle in a million years.

Look at him.

Keep looking, until you begin to recognize the suffering heart of God himself.

You're looking at holy love.

You're looking at your own healing.

You're looking at the one who even now brings you from death to life.

The thing that happened when Jesus died on the cross so long ago... has such power even today that when you look at him,

**....heaven opens upon you,
resurrection life from God comes pouring in.**

Do yourself a favor.

Lay aside your preconceived thoughts about Jesus on the cross, and just come and look.

"Look to me and be saved all the ends of the earth."

(Isaiah 45:22)

"And I, when I am lifted up from the earth(on the cross) will draw all people to myself."

(John 12:32)

Prayer: Yes, Lord, help us to keep looking until we see, really see your suffering heart.... Until we see your holy love, until we see our own healing, until we see and experience heaven opening up and your life pouring into us. Amen.
