

LIVING WATER IN A DRY PLACE

Wendy Smith

Even in the Desert

It begins the day you wake up to find...

That your little paradise is a desert.

That your "spirituality" is barren.

You're thirsty for living water to satisfy an empty soul.

Now God breaks through, and begins to guide you.

Then God opened her eyes and she saw a well of water.

Genesis 21

Why is it that we never find Living Water until we're in a Desert?

In the Desert all distractions are gone.

All illusions disappear.

The trivial no longer satisfies.

God help us to see how barren life is until we find that Spring!

God give us the wisdom to seek!

***On the last day of the feast, the great day, Jesus stood up and cried out,
"If anyone thirsts, let him come to me and drink."***

John 7:37

River of Restoration

Prayer: Lord, help us to realize when we're in a desert. Help us to open our eyes and see our own barrenness. Help us to open our eyes so we can see the Living Water you have for us and indeed cry out for it to fill our thirst. And may we come to you and truly drink and fill ourselves with your Living presence so we can be truly alive. Amen.
