

WHY SHOULD I CHANGE?

Why should I change? I Like myself the way I am.

Well of course, if you're content, stay as you are, and make the best of it.

But those of us who are dissatisfied with "the way we are" keep looking for the missing link, the "thing" to fill a vacuum within.

We're spiritual discontents, on a search for Reality.

We're willing to pay any price to get closer to God.

To hear his voice.

To live in his presence.

To know his peace.

Jesus claims to be the way to all this.

"Follow me, and you won't be walking in darkness any more.

You will have the light of life."

"But Master, how can I be sure that this is true?"

"You will never know until you follow."

Prayer: Lord, may we be dissatisfied with living without You. Give us the hearts to want to change, to reject darkness, to want to walk in Your light, to follow You....dear, Lord. Help us to see change as part of drawing close to you, knowing you, living in the presence of your eternal goodness and mercy, and finding life like we've never had before. Amen.
