

# WHAT AM I SUPPOSED TO DO?

Violence is increasing.

Chaos is spreading right up to the front door.

The Movers and Shakers are in gridlock and can't get anything done.

Everywhere you look, things are falling apart.

## So what am I supposed to do?

Read the signs and act accordingly.

***"When you see a cloud rising in the west, you say at once, 'A shower is coming'; and so it happens. And when you see the south wind blowing, you say, 'There will be scorching heat'; and it happens. You hypocrites! You know how to interpret the appearance of earth and sky; but why do you not know how to interpret the present time?"***

*Luke 12:54-56*

The signs say, "it's getting late!"

The Spirit says,

"Wake up and listen to the Voice of the Master....and get things right—with God, and with your neighbor.

***And why do you not judge for yourselves what is right? As you go with your accuser before the magistrate, make an effort to settle with him on the way, lest he drag you to the judge, and the judge hand you over to the officer, and the officer put you in prison.***

***I tell you, you will never get out till you have paid the very last copper."***

*Luke 12:57-59*

*Prayer: Yes Lord, help us to wake up and listen to your voice as violence, chaos, gridlock, and sin are increasing. Instead of bemoaning and being overcome by these things, help us to know what to do. Help us to get things right with you and with all those we interact with. Lord, help us to continue dealing justly and mercifully with others, to continue doing what is right. Help us to remember, to live in , and to thrive in your faithful love that endures all things...forever. Amen.*
