

YOU DIDN'T MOVE THAT MOUNTAIN... GOD DID.

You prayed.

The very next day the obstacle was gone!

You almost fainted.

Never has a prayer of mine been answered so swiftly!

What did I do differently, when I prayed that prayer?

Was my faith stronger?

Get your eyes off yourself.

Get your eyes off your prayers.

Look beyond the melted mountain to the One who intervened.

And give thanks.

Give thanks!

**Let all that I am praise the Lord;
with my whole heart, I will praise his holy name.
Let all that I am praise the Lord;
may I never forget the good things he does for me.
He forgives all my sins and heals all my diseases.
He redeems me from death
and crowns me with love and tender mercies.
He fills my life with good things.
My youth is renewed like the eagle's!**

Psalm 103: 1-5

**At that time Jesus prayed this prayer:
"O Father, Lord of heaven and earth,
thank you for hiding these things from those
who think themselves wise and clever,
and for revealing them to the childlike.
Yes, Father, it pleased you to do it this way!**

Matthew 11:25-26

Prayer: Yes Lord, we thank you for every mountain you have moved in our lives, for answering our prayers, for rescuing us from disaster again and again. It's not by any personal power of our own...but by You, by You precious Lord. It doesn't matter how eloquent, commanding, or righteous we are...our prayers hold no special power without your overwhelming mercy, without your all-knowing hand. Forgive us for such arrogance and thank you, thank you for hearing us. We can never praise you enough. Lord like the psalmist shouts...let all that we are ... praise your holy name for your goodness to us, for your redemption, for your forgiveness, for your healing, and especially for your tender mercies. Alleluia, we praise you O Holy One, Perfect One you deserve praise with every breath we take. Amen.
