

MAKING THE WORLD A BETTER PLACE

Christian politicians claim to be doing it.

Dictators claim to be doing it.

Corporations claim to be doing it.

Protesters of all stripes are trying to do it.

Priests and paupers, scientists and celebrities are all in the game.

To make this world a better place.

Admirable thought. Worthy intention.

Yet the world doesn't seem to be improving.

Division, suspicion, bitterness, bullying, hypocrisy, violence, deceit are rampant across the earth.

Truth is, we're all powerless to make the world a better place....

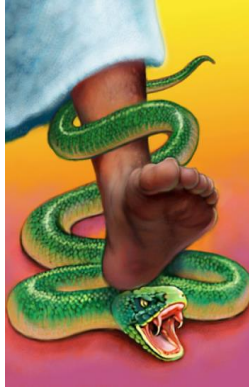

...so long as greed, lust, and deceit prevail.

The good news is that the shelf-life of greed, lust and deceit is about to expire.

God is still in charge.

Jesus is still Lord.

The Kingdom of Evil is reaching its limit.

The Lord of the Universe is about to make this world a better place.

***The time is fulfilled,
The Kingdom of God is at hand,
Repent and believe the good news.***

Mark 1

The days of this world of despair will soon end.

***Let the sea roar, and all that fills it;
the world and those who dwell in it!
Let the rivers clap their hands;
let the hills sing for joy together before the Lord,
for he comes to judge the earth.
He will judge the world with righteousness,
and the peoples with equity.***

Psalms 98

Prayer: Lord, we can't help but want the world to be a better place. We admit that we all have opinions about how to achieve that. But so many times our efforts just make things more of a mess. So many times we mistakenly think that the ends justify the means....multiplying the power of evil in this world and increasing misery. Forgive us Lord for getting our hands bloody, for tainting our souls with delusions of our own grandeur. Only you have the power to destroy evil, only you can make the world a better place, only you can end despair. Help us to trust this and not take justice into our own hands. At the same, help us to do what we can to dwell in your mercy, your peace, your love... so that even though we can't end evil...we can bring some relief and some hope ... to those who hurt so badly, who live in despair and want. Help us to look forward to the time when evil is crushed, to rejoice that suffering will end forever and the world shall truly be a better place. Amen.
