

THE ANSWER MACHINE?

After all these centuries, believers have finally discovered the guaranteed way to get clear, quick, answers from God for any question they may have.

Should I take the Job?

Should I leave this church?

I lost my i-phone; could you tell me where it is?

What you do is write the question on a piece of paper. Lay it before God in prayer. Sit in silence for five minutes. Then write on the same piece of paper, the first thought that comes into your mind.

There it is! A straight line of communication between heaven and earth. Why didn't Job think of that?

Of course there are many versions of THE ANSWER MACHINE floating around Christendom these days. But they arrive at the same place: a clear, quick way to get answers from God.

Tarot cards and clairvoyance are demonic; but this method of getting answers is "Christian"?

God is not an Answer Machine.

He is our heavenly Father, who loves us with unspeakable love, but who refuses to be manipulated.

We keep forgetting that God is HOLY.

He never fits into our schemes. He is unpredictable.

The best thing we can do, when we have needs and questions, is listen carefully to our Master, and trust no other "guidance" but his.

Ask and it will be given you. Seek and you will find. Knock and it will be opened to you.

If we ask the Father, we will receive---

---in his time and in his way.

If we approach the throne of heaven with a truly seeking heart, we will find---

---in heaven's time and in heaven's way.

If we knock on heaven's door, and keep knocking, with our focus on heaven (not on ourselves), that door will open----

---in heaven's time and in heaven's way.

For this reason our Lord Jesus teaches us to pray,

"Our Father who art in heaven Hallowed be thy name."

If we are to hallow God's name as holy, we will take off our shoes and bow in awe.

We will approach the Throne of Light in fear and trembling.

We will wait upon God, and never, never treat the holy God as if he were the waiter.

***"Thy kingdom come,
Thy will be done,
On earth as it is in heaven."***

When we truly line up our hearts with the will of God---to the point of simple obedience---we will get all the answers we need, at the moment we need them.

Prayer: Lord, as we approach you with our needs, desires, fears, and disappointments...may we never forget that you are holy, that you are not to be manipulated, that you are not a machine that gives us whatever we want. We seek and trust for answers in your time, in your perfect way. We hallow you, honor you and your divine will. We are in awe of you. We trust the journey you lay before us. May your kingdom come, your perfect will be done... on earth and in our lives. Amen.
