

# IT'S IN GOD'S HANDS

Leaving it in the Lord's Hands

You laid it before God.

That burden, that problem, that fear.

*"Lord it's beyond my power. I put it all in your hands!"*

So leave it there.

There's nothing wrong with laying it before the Lord every day, as long as you keep your hands off it.

There's nothing wrong with giving God thanks.

Beyond that, you back off and leave it with God.

## How the kingdom works.

***"The kingdom of God is as if a man should scatter seed upon the ground, and should sleep and rise night and day, and the seed should sprout and grow, he knows not how.***

***The earth produces of itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he puts in the sickle, because the harvest has come."***

**Mark 4**

One Kernel

The farmer does not dig up the seed to see if it's sprouting.

He allows the seed to be hidden in God.

He lets God run the show.

In God's time the farmer has a crop.

Once I put my problem in God's hands, God does things his way.

He does not need my help.

He does not need my advice.

He wants only my faith.

We spare ourselves tons of grief, when we back off and give God room to do things his way.

***"Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours.***

***And whenever you stand praying, forgive, if you have anything against any one."***

Mark 11

**God will take care of his part.**

**All you have to do is take care of yours.**

**Believe**

**Whatever you ask in prayer, believe that you have received it, and it will be yours.**

**Obey**

***"And whenever you stand praying, forgive, if you have anything against any one."***

Look to Christ

*Prayer- Lord we admit that the burdens, problems and fears that trouble us are beyond our control. We can't solve them, we can't see beyond them. Lord we give them to you, we place them in your capable and loving hands, Lord help us to leave them to you, to keep from interfering, from advising you and from manipulating situations to our will. We trust you. We trust your sovereign will. We trust your love. And as we lift our hearts to you seeking relief from our distress may your tender mercy strike us to the heart... to extend the same tender mercy and forgiveness to all in our circle. MM*
