

# AN EAR THAT HEARS

It's not that God is silent.

It's that we are hopelessly deaf.

When the Incarnate Word spoke with a human voice, he said.

***“Whoever has ears to hear. Let them hear”.***

*Mark 4:9*

Meaning that only a remnant would get the message.

Who are these people who hear the voice of God?

The woman, the man who has abandoned the judgment throne.

The person whose conscience is alive.

The soul who looks to heaven for forgiveness.

The ear that hears the voice of God finds the road to the City of God.

Without a hearing ear... we drift.

***Whoever has ears to hear, let them hear.***

Lord, give me an ear that hears.

*Prayer: Yes Lord, give us an ear that hears. Oh, that we aren't deaf to your voice as you speak to us. Keep us from drifting. Help us to abandon the judgment throne. Keep our conscience alive and repentant and open to change. Amen.*
