

CONVICTED

The clearest sign that God's Spirit is at work in your life is when the Spirit convicts you, jabs his flaming sword into your heart...

About an attitude.
An outright lie.
A distracting obsession.

The Spirit's conviction is heaven's mercy.

God is not "picking on you."

He is opening the door to freedom.

All those I love, I rebuke and discipline. So be earnest and repent!

Listen! I am standing at the door and knocking! If anyone hears my voice and opens the door I will come into his home and share a meal with him, and he with me.

Rev 3:19-20 (NET)

This thing in your life which the Lord has put his finger on----

---It's not an essential, it's a distraction

Let go of it and start walking in the light.

Prayer: Lord, thank you for convicting us, for not allowing our hearts to stew in bitterness and darkness. Thank you for such love. We earnestly repent and let go of anything that you put your finger on, any distraction, any attitude, anything that separates us from what you have for us. Thank you for knocking at the door and calling us out of darkness. Oh, that we may continue to hear you, continue to open the door, and continue to invite you in to sit down and sup with us. Amen.
