

FAITH IN JESUS IS NOT A GUESSING GAME

*I decided not to sue the guy. To this day I do not understand what restrained me.
Was it the Lord?*

*Looking back, I know it was the right decision.
But where did the inspiration come from?*

Seems like I have to keep guessing, and hope that I guess right.

In this world the power of the kingdom of God is elusive.

If you try to analyze it, it disappears.

If you try to manipulate it, you get burned.

If you walk in its light, the light increases.

Believe it or not, the doorway to God's kingdom is Jesus.

***"I am the light of the world.
Whoever follows me will not walk in darkness, but will have the light of life."***

John 8

When it comes to Jesus, there is no guessing.

Just believing---in Jesus.

Not in ideas about Jesus.

Or teachings about Jesus.

Or somebody's faith in Jesus.

Believing in Jesus as he speaks to your soul.

Walking in the light he gives.

“And I, when I am lifted up from the earth (on the cross) will draw all people to myself.”

John 12

If it hasn't happened to you yet, it will.

Jesus will come to you just like he came to Matthew the tax collector.

His words will burn like fire.

You don't have to guess.

You either believe, or you don't.

“Blessed are the poor in spirit, for theirs is the kingdom of heaven.

Blessed are those who mourn, for they shall be comforted.

Blessed are the meek, for they shall inherit the earth.

Blessed are those who hunger and thirst for righteousness, for they shall be filled.

Blessed are the merciful, for they shall be shown mercy.”

Matthew 5

When Jesus speaks to me, I can believe, or I turn away.

When Jesus commands me, I can obey, or I move on.

If I believe, I'm not guessing, I'm trusting.

If I obey, I'm not guessing, I'm trusting.

Faith in Jesus is not a guessing game.

Faith is simply following his light into the unknown future day by day, hour by hour.

Prayer: Lord, we don't want to guess about you. We want to truly know you Jesus. We want to know it's you as you draw us to yourself, as you speak to our souls. We want to listen to what you are saying to us. We don't want to turn away, we don't want to move on from you or your guidance. We want to recognize the light that you shine into our lives and onto our paths. We want to trust where you are leading us. And yes, we want our hearts to burn like fire for you...so there will be no guessing. Develop a faith in us that compels us to turn to your voice and to follow wherever you call us, yes, day by day, hour by hour. Amen.
