

JUDGMENT?

You really believe there's going to be a Final Judgment?

Believe it? It's already begun!

Nations

Movements

Religions

Churches

Individuals....

.....All have their Day of Reckoning.

Suddenly the Light comes on, and all the hidden things are exposed to view.

"Catastrophe"

"Natural selection."

"The end of a civilization."

"Mass Destruction."

....All these reasons give way when suddenly you find yourself in the presence of the living God.

***"Now is the judgment of this world, now shall the ruler of this world be cast out;
and I, when I am lifted up from the earth,
will draw all men to myself."***

John 21

Judgement took place outside Jerusalem on Good Friday afternoon. Forces were in play which we will never fathom.

The Prince of this World, and all that belongs to him, was judged at the very moment he “won his victory.”

From that pivotal moment ...

God’s mercy flows out as an offer to every soul who has ever lived.

What we do with that mercy

Determines our destiny.....

.....becomes Our Final Judgment.

Prayer: Jesus, Lord of mercy and judgement, we fall on our knees in utter astonishment at how your death not only draws us to you, enveloping us with mercy and forgiveness...but that it also utterly destroys evil. You are truly holy, good, and worthy. May we in return, live each day as a love gift to you, opening ourselves to your living presence. And as we interact with others may we be so filled with your presence that your mercy flows from us and the works of the evil one are conquered in those we touch. Amen.
