

HOLY IMPATIENCE AND THE CYNICAL HEART

*"I came to cast fire upon the earth; and would that it were already kindled!
I have a baptism to be baptized with; and how I am constrained until it is
accomplished!"*

Luke 12

Our Lord Jesus was never in a hurry, yet everything he did burned with urgency.

His words still cut like a knife.

Holy impatience is a consuming fire.

Yet as we look at each other....

As we scan the horizon.....

Holy impatience has been replaced with unholy cynicism.

Our vision is distorted by a jaundiced eye.

From our Judgment Seat we see flawed saints stumbling around in a flawed Church.

Do we weep?

We're too busy judging to weep.

Holy Impatience cannot exist in a cynical heart.

Lord, have mercy!

Lord, bring us to repentance, before it's too late!

Prayer: Yes, Lord, help us to truly repent of our cynical hearts, our unholy attitudes and jaundiced eyes towards other Believers. Have mercy on us. Bring us back to a holy impatience to see your fire kindling across this earth again through these fumbling saints we are so quick to judge. Amen.
