

## **FLEETING GLIMPSE OR SUSTAINING VISION?**

God speaks to two people.

  Their eyes open.

  They see glory.

One person is changed forever.

The other is soon stumbling back into darkness.

**To be sustained by your vision, you have to walk in it.**

Don't just look at it.

Don't just think about it.

**Walk in it!**

Seeing the light is fine.

But temporary.

**Walking in the light is what sustains you, the only door to eternal life.**

**Walking in the light takes discipline.**

**Walking in the light takes integrity.**

*“This is the message we have heard from him and proclaim to you, that God is light and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not live according to the truth; but if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin”.*

*1 John 1*

*Prayer: Lord, thank you for the times you give us vision, when we see you, when our hearts are burning with your presence, with your goodness, when we stand in awe and love towards you. Thank you, thank you. But may these times be much more than a fleeting glimpse. May they impel us to be hungry for more of you, to keep seeking you. And yes, give us the discipline, the integrity, and the desire to continue pursuing you; to continue walking in the light so we may be sustained by these beautiful visions, finding sweet fellowship with you and with each other for life. Amen.*
