

JUST A SPECK IN THE UNIVERSE

The earth is a tiny speck in the universe.

And I am but a tiny speck on the earth.

And God knows me by name?

And cares about what I'm going through?

Jesus teaches us to call him Father.

----to know God as the one true Father in all creation.

"Our Father, who art in Heaven, hallowed be thy name."

Matthew 6

"Call no man your father on earth, for you have one Father in heaven."

Matthew 23

There is only one way to get to know your true Father:

Open your heart and listen for his voice.

Speak to him.

Walk in the Light he gives you.

The door to the Father's presence is closer to you now than your breath.

Jesus of Nazareth.

"I am the Door."

**"I am the Way, the Truth, and the Life.
No one comes to the Father but by me."**

John 10:7 & John 14:6

Prayer: Lord, when the truth of our finite existence, our limited days and approaching end becomes real to us...how good is to know that we are more than a speck in the universe, that we are more than a blip in time, that we are not forgotten...that we don't need to despair, because you know us, you care about us, and you truly love us. Dear Father, merciful, good, beloved Father, help us to find our way to you, to live in the reality of your presence now, to hear you now, to open our hearts to you now...through Jesus...the door, the way to the truth and life we need and the way to the eternal bliss of being alive forever in your holy presence. Amen.
