

FINDING THE DOOR

How long will the search go on until you find the door?

The door that leads to a life that makes sense.

To a path that's true.

Too many empty words.

Too many false promises.

Too many exploiters in sheep's clothing.

Where's the door to the real world?

Where's the door to God's world?

Our eyes open and behold the door, the instant we humble ourselves enough to listen when God speaks...

...Listen and heed those words, which are like no other.

Simple.

True.

Clean.

Pure.

Once you hear those words and take them into your soul....

..... the door swings open.

Once you prove faithful to the light they shed....

.... the way becomes clear.

" See, I have placed before you an open door, which no one can shut. For you have only a little strength, yet you have kept My word and have not denied My name"

Revelation 3:8

Prayer: Lord, help us to find this open door that can't be shut. Help us to hear the words you speak to us and take them in so that the door to our hearts will swing open. Help us to walk through the door and continue walking in the light in which your words lead us. Amen.
