

# ***HIDDEN INSIDE***

Much of the good stuff we see out there is like delicious icing on a poisoned cake.

We are so delighted with the icing that we pay no attention to the strange things that happen to us as we eat the cake.

For reasons of his own the Lord allows us to keep munching on the cake for a long time.

**Then one day, quite suddenly, the light comes on, and the poison is exposed for what it is.**

Some of us back away in horror. How could we have been so gullible? Lord, have mercy!

Some of us refuse to acknowledge the poison and keep right on eating the cake, unaware of the corruption spreading through our souls.

When the icing on the cake is a cover, hiding the poison beneath, God waits his time.

**Then one day the light comes on.**

***“Nothing is covered up that will not be revealed, or hidden that will not be known. Therefore whatever you have said in the dark shall be heard in the light, and what you have whispered in private rooms shall be proclaimed upon the housetops.”***

*Luke 12*

God will deal with the poison in those halls of power in government and church.

**But we need to deal with the poison beneath the icing of our own souls.**

**The Spirit puts the finger of God on lies we tell ourselves.**

**The compromises we make to achieve our own ends.**

**Our deafness to the words of our Master.**

God is unspeakable love.

God is also penetrating light.

Light that searches.

Light that heals.

Light that restores.

**Light that pierces below the icing to the cake---to make it good.**

***This is the message we have heard from him and proclaim to you, that God is light and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not live according to the truth; but if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin.***

*1 John 1*

*Prayer: Lord, we do ask that you turn the light on so the poison that's hidden inside us can be exposed for what it is. Help us to stop being fooled by the icing that covers the poison that eats at our souls. May your light penetrate our blindness, our denial and heal and restore us and yes make us good inside, so we can walk in your light once again and have sweet fellowship with you and one another. Amen.*
