

ANOTHER DAY CLOSER

....to the end of my life on earth.

And then what?

Why not step into Eternity, on this side of the grave?

Why not connect with the Lord of all worlds, here in his life?

Why waste a lifetime stumbling in the darkness, when we can be walking in the light?

And this is the message we have heard from Him and announce to you: God is light, and in Him there is no darkness at all. If we say we have fellowship with Him yet walk in the darkness, we lie and do not practice the truth.

1 John 1:5-6

Light:

Integrity.

Humility.

Awareness of God.

Darkness:

Self-deceit.

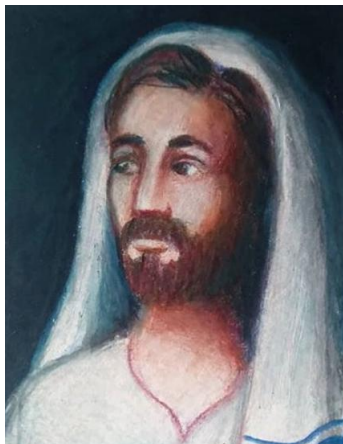

Arrogance.

Ignorance of the Holy.

The moment we turn from darkness to light...

...we enter the redemptive presence of God.

We begin to hear truth and see light in the person of the Crucified and Risen One.

Nobody can convince you of his lordship but the Crucified and Risen One Himself.

He will do this, when your ego has come down to size.

***Blessed are the poor in spirit,
For theirs is the Kingdom of Heaven.***

Prayer: Holy Lord, as each day we move closer to the end of our lives, help us to step into eternity now by moving closer to you in this life. Help us to seek and choose light, and yes, to walk in integrity and humility, willing ourselves to be constantly aware of you. Help us to turn from the darkness that separates us from you.... Turning from self deceit, arrogance, and closing our eyes to the holy. Yes, help us to come down to size and to turn our days into seeking and entering into your redemptive, eternal presence. Amen.
